WHY YOU SHOULD BE A MEMBER

1 Networking

Embrace the benefits of a collegiate atmosphere where you can collaborate and brainstorm with some of the brightest minds in dentistry today.

2 Credentials

Earn advancement in our membership program. Each level connotes increasing proficiency in implant dentistry and is an excellent educational marketing tool.

3 Educational Excellence

The IDIA prides itself on a commitment to unmatched education with some of the best speakers at the forefront of their respective fields of study.

4 Benefits

The IDIA offers an array of amazing benefits – benefits that if utilized to their maximum extent, are likely to radically grow your dental practice, both in terms of the number of patients you treat and in the revenue you generate per treatment.

5 Exclusive Discounts

Enjoy discounted attendance at our annual symposiums and exclusive members only discounts from our numerous vendors.
